

Family Science Day

Dear Parents:

You can experience the pleasure of holding a child spellbound and possibly inspire the next Einstein. We need adult volunteers to help demonstrate pre-selected experiments. You don't need to do any research to find experiments – that work has already been done. You don't need a science background!

To volunteer for a rewarding experience at the Family Science Day, March 8th from 10a.m. to 1:00p.m complete the bottom of this form and return via Sarah Clare's (5th grade) backpack.

Thank you in advance for helping to make this event success.

_____ Yes, I can help demonstrate an experiment.

_____ Yes, I can help with clean-up.

Name: _____ Phone#: _____

Please detach and return to Mary Kay Javors c/o Sarah Clare Javors, 5th grade, by February 13th. Questions? Don't hesitate to call Rich Buffo, 387-1248, Fran Guerrieri 442-6459 or Mary Kay Javors 447-3459.

Thanks very much for your support.
